

The Southern Colorado PDCA Invites You to Attend

Tricks of the Trade

This fast paced and fun topic addresses Tricks of the Trade your company can use to increase productivity, keep things moving and solve problems. Mostly field related tricks will be shared and several office tricks such as filing & managing time will also be shared.

Tricks of the Trade used to be an annual event at National PDCA Conventions. The presentation you will be part of, was last presented at PACE 2008 by PDCA Contractor College speaker, Brandt Domas, our presenter.

Bring your note pad - lots of ideas will be shared.
We'll also be asking for attendees to share their tricks.
